

Consider doing an adult Bar/Bat Mitzvah at Kedem!

If you didn't have a bar/bat mitzvah as a teenager, or you would like to do it again in a more meaningful way, we are here to support you!

*This is what Leonie says about doing her adult Bat Mitzvah at Kedem:
"I learnt about the service, about the prayers, about Judaism and about how to find my own personal Judaism. My Bat Mitzvah day was fantastic. Being there supported by family and friends, including my new Kedem friends really made me feel special, as if I was a part of something."*

Kedem will work with you to create a program of learning and a ceremony that meets your needs, interests and abilities.
