

BE A GOOD ANCESTOR

Text based partner study, and group discussion in response to current environmental and social issues.

How can we draw on our rich Jewish texts and spiritual traditions to help create effective ways of organising and acting?

Through an inter-generational conversation (Kedem members, Netzer bogrim and senior chanichim) we will explore topics such as

- Tikkun olam and community
- Individual and broader societal changes for environmental justice
- Our legacy for future generations

When: Sunday evenings 5:30 – 7:00 pm (arrive at 5:15 for a 5:30 start)
March 15, 22, 29, and April 5

Where: To be confirmed
