

FAIR TRADE COFFEE!

Kedem's New Tikkun
Olam Project:
Beginning at Shavuot

At a Tikkun Leil Shavuot celebration, we stay up late, studying Jewish texts - a tradition many are able to maintain only by consuming caffeine, in particular, coffee!
Most coffee is grown by subsistence farmers who are facing crisis as worldwide coffee prices have plummeted.

Fair Trade coffee is a real solution. Fair Trade certification ensures that coffee farmers are paid a livable wage, while also promoting sustainable practices, such as organic farming.

Let's serve only Fair Trade coffee, and use our Tikkun Leil Shavuot event, on Saturday night June 8th to kick off and celebrate this commitment.. We'll even offer you Fair Trade coffee tasting with your cheesecake!

We will continue this important work by serving Fair Trade coffee at Kedem functions throughout the year whenever possible.
