Joyful Jewish Life

We invite you to share your life events, birthdays, yahrzeit, anniversaries, major or minor events with your community by way of hosting a Kiddush. You can either prepare and bring food or arrange catering via Lynda Vorchheimer at an agreed cost. By 'advertising' in E Kedem Newsletter the community will become aware of your celebration. With this in mind it will not only enable us to celebrate with you also encourage our members and friends to visit us.
